Official Rules

1. Chili will generally consist of any kind of meat or combination of meats cooked together with spices and other ingredients, such as tomatoes, beans, peppers, etc. There is no restriction on fillers such as pasta, etc., however, meat, spices and beans should be the primary ingredients (e.g. spaghetti with meat sauce is NOT chili!). Vegetarian Chili without meat is allowed!
2. Entry forms must be received by November 9th, 2020.
3. Chili must be brought to the event ready to eat (no cooking on site). Chili must be hot upon arrival.
4. Each team will provide 4 gallons (16 quarts) of chili in a large roaster (due to limited space, no multiple crock pots, please). Only 1 roaster will be allowed per competitor. Sterno warmers are acceptable and encouraged.
5. 6 cups of chili will be kept in reserve for judging. All other chili is for public consumption. Tasting cups will be provided.
6. Competing teams will have their arrival times staggered by organizers. This is to ensure that the chili is up to temperature (165° F) by 30 minutes prior to the event opening to the public (11:00 a.m.).
7. Competing teams must provide 1 ladle/serving spoon full of chili in a cup (provided) for contest officials to retain in the event of illness.
8. Competing teams are responsible for serving their chili and SCBTYR will provide the sample cups and spoons for tasting. Any additional food items relating to their chili submission (cheese, onions, sour cream, and any condiments) are allowed.
9. Judging will begin at 11:00 a.m. and will continue until the judges are done.
10. The decision of the judges is final.
